4-H PEI 2025 Provincial Projects

Excited for 4-H PEI's Provincial Projects? The wait is almost over! 4-H PEI is looking forward to holding Provincial Projects again this year, beginning in the New Year! Keep an eye on our website and social media for Registration to open on these (and MORE) great projects!

Provincial AGM

The 4-H PEI Provincial Annual General Meeting will be held March 1, 2025.

Any individuals, clubs or regions who want to submit resolutions or agenda items are required to submit by Wednesday, January 1st 2025 (60 days prior), as noted in the constitution.

Our nominations committee will also be looking for Senior Members who are interested in sitting on the Board of Directors for a 1 year term. Please be aware that there is only one position available.

Both of these may be submitted by emailing Rayanne Frizzell at pei4had@gmail.com

Delegate packages will be mailed 30 days prior to the AGM.

Royal Beef & Dairy Team Books

Every year, the 4-H PEI Royal Beef and Dairy Teams create a Sponsor Book to showcase their Experience at the Royal Agricultural Winter Fair, highlight members, and thank sponsors. Click the links below to read through the teams' booklets!

WhatsApp Pilot Project

We are always looking for new ways to stay in touch and provide everyone with the most up-to-date information related to 4-H. The newsletter is sent via email on or very near the 15th of each month and it is also posted on our website [HERE](#) and always includes the important dates for the upcoming 6 weeks.

The website is full of information and resources, if you can't quite find what you are looking for, send us a message and we will help you out!

Finally, we've had a number of requests for a texting option in recent years. We have done a lot of research, and the cost to send out even one bulk text a month would be significant. In an effort to reach people who want the reminders on their phone, we will be launching a WhatsApp Community in the new year. You'll be able to join to get provincial reminders - in an effort to not be overwhelming, we will limit what we send to a maximum of 3 messages per month, one will always be the newsletter link! Stay tuned for more information and how to join our new What'sApp community in January.
